

ON MAY 11TH, YOUR LUNCH CAN HELP FEED 43 CHILDREN.

Every summer, thousands of NYC children who depend on school lunches the rest of the year may face hunger. On May 11th, donate what you would normally spend on your lunch and help City Harvest provide food for hungry kids and their families this summer.

**\$10 can help feed 43 hungry children.
Look for donation lunch bags at your office
or give online at skiplunch.org.**
