

# PASSOVER FOOD DRIVE

**Monday, March 28–Monday, April 25, 2022**

**Run a Passover Food Drive!**

**Did you know that 30 percent of Jewish households in New York City are currently living near or below the poverty line?**

With the ongoing pandemic and surging food prices, City Harvest's work of rescuing and delivering nutritious food for New Yorkers in need is more important than ever before. You can help ensure no one in our city goes hungry over Passover this year by running a kosher for Passover and/or *Chometz* food drive between March 28–April 25. City Harvest will deliver all collected food to kosher community food programs across New York City. To run a traditional food drive, please follow the below guidelines:

- All types of kosher for Passover and/or *Chometz* canned and/or non-perishable sealed and/or packaged food are acceptable for collection.
- Please keep Passover and *Chometz* items separate.
- We do not accept perishable foods or opened packages. (This will keep your collection site pest-free and ensure the safety of the food you collect.)
- Most needed kosher foods are as follows:
  - Tuna
  - Salmon
  - Sardines
  - Gefilte fish
  - Grape juice
  - Oils
  - Matzoh
  - Peanut butter

## Tips for a Successful Food Drive:

- Passover items must have one of the following certifications, in addition to a kosher for Passover designation. *Chometz* items must have one of the following certifications:

Kosher for Passover  
כשר לפסח P

- Organize a centralized collection area in your company, school, or synagogue.
- Copy and distribute the enclosed flyer and hang up posters.
- At the end of your drive, if you've collected more than 50 pounds, contact City Harvest Food Sourcing at **646.277.7800** or [fooddrives@cityharvest.org](mailto:fooddrives@cityharvest.org). If your collection is less than 50 pounds, we can help you find a local pantry for drop-off.
