

FEED OUR KIDS FOOD DRIVE

May 13 – June 17, 2018

Donate Non-Perishables To City Harvest's Annual Feed Our Kids Food Drive!

Nearly 1 in 5 kids in NYC is facing hunger. That's why we're stepping up to help City Harvest collect food for our city's youngest New Yorkers.

You can help by donating non-perishable food here.

City Harvest trucks will collect your donations and deliver them to soup kitchens and food programs across the city.

Help us ensure shelves are fully stocked with good food for NYC's kids and their families!
