

FEED OUR KIDS FOOD DRIVE

MAY 14-JUNE 18

DONATE NON-PERISHABLES TO CITY HARVEST'S ANNUAL FEED OUR KIDS FOOD DRIVE!

Nearly 1 in 4 kids in NYC don't always know where their next meal will come from. That's why we've partnered with City Harvest to collect food for hungry kids and their families. You can help by donating non-perishable food at this location.

City Harvest trucks are on the road 7 days a week collecting your donations and delivering them to soup kitchens, food pantries and other community food programs across the city. Help us ensure shelves are fully stocked with good food for hungry children and their families this summer!
