

TIPS FOR RUNNING A SUCCESSFUL FOOD DRIVE

Running a food drive is easy! Here are some ideas to get your family, friends and colleagues involved:

- **Have a friendly competition among departments.**
 - Involve the entire company and have a department-based competition.
 - Award prizes to the department that collects the most food.
- **Create a pounds thermometer to set and track milestones.**
- **Post updates in public areas and make weekly announcements** to let everyone know how close you are to reaching your goal.
- **Offer a prize for the top food collector in your company or department.**
- **Publicize the drive.**
 - Post updates through email or the company intranet.
 - Hang the posters included in your toolkit in high-traffic areas around your office and use them to decorate your collection bins. Download additional posters at cityharvest.org/dailynews.
 - Post on your company's social media page(s) to spread the word about your drive, using #DailyNewsFoodDrive.
- **Run “day of the week” drives** based on our most-needed items, such as: *Mac & Cheese Monday*, *Tuna Fish Tuesday* or *Canned Fruit Friday*.
 - Most needed items include: canned fruit, canned vegetables, canned proteins (i.e. tuna or beans), peanut butter (plastic jars), macaroni and cheese (packaged), and hot and cold cereal (packaged, family-size).
