

Daily News Food Drive: Donation Box Do's and Don'ts

Thank you for collecting food for the *Daily News Food Drive* running from **Tuesday, October 24, 2017 through Friday, January 19, 2018**. Your support will help City Harvest reach our goal of collecting one million pounds of food.

We would like to help you correctly prepare your *Daily News Food Drive* donations for pick-up, to ensure that all of your generous donations make it safely to soup kitchens and food pantries across the city. Please refer to the images below to see how your boxes should be packed for safe collection by our drivers. Thank you again for your support!

Do's

Image 1. Fully packed food drive box.
Box dimensions: 19x13x11. No more than 50 pounds.

Don'ts

Image 2. The box is filled past the folding flaps, and is ripped, making it likely to break when lifted, and causing the cans to fall out.
