

# City Harvest Donation Instructions

As of December 2022

With millions of our neighbors struggling with hunger, we must do everything we can to keep our trucks on the road and full of food for New Yorkers who need us today, and New Yorkers who may need us tomorrow.

- I want to help ensure New Yorkers in need have access to healthy, nutritious food. My gift will rescue good food that would otherwise go to waste and deliver it, free of charge, to the soup kitchens, food pantries and community food programs our neighbors rely on. Please put my gift to work right away.
