

# FEED OUR KIDS FOOD DRIVE

May 12 – June 16, 2019

## Donate Non-Perishables To City Harvest's Annual Feed Our Kids Food Drive!

Nearly 1 in 5 kids in NYC don't always know where their next meal will come from. That's why we're stepping up to help City Harvest collect food for our city's youngest New Yorkers. You can help by donating non-perishable food here.

City Harvest trucks will collect your donations and deliver them to soup kitchens and food programs across the city. Help us ensure shelves are fully stocked with good food for NYC's kids and their families.
