

PASSOVER FOOD DRIVE

**Run an Online Passover Food Drive!
Monday, March 1–Monday, April 5, 2021**

Since 1999, City Harvest has rescued and delivered more than 60 million pounds of kosher food to kosher community food programs across New York City. As the need for food continues to surge due to the COVID-19 pandemic, City Harvest remains committed to feeding the growing number of New Yorkers turning to us for help. By running a food drive, you can help City Harvest make sure no one in our city goes hungry over Passover this year!

With many schools and organizations still operating remotely, we are providing an alternative to in-person food drives through our partner platform, #GiveHealthy. If this is the best option for your food drive, please follow the instructions below.

Setting up your online food drive:

1. Select dates to begin and end your food drive. We recommend running a drive for at least 2 weeks.
2. Enter information about your food drive to #GiveHealthy through [this form](#). You will hear from a #GiveHealthy representative within 1-3 business days and receive a customized link to your food drive page.
3. Share the customized link for your food drive page with your participants through email, social media, or newsletters. Participants will be able to select kosher for Passover food items to purchase directly through your page.
4. Send periodic updates on progress and reminders to donate: we recommend messages at the beginning, mid-way point, and end of your drive.
5. After your drive has ended, you will receive a tax acknowledgment from #GiveHealthy and a food drive certificate of participation from City Harvest.

For any questions or for help setting up your online food drive, please feel free to call us at 646.277.7800 or email fooddrives@cityharvest.org.
