RESCUING FOOD FOR NYC

FEED OUR KIDS FOOD DRIVE

May 12–June 16, 2024

In New York City, 1 in 5 children does not always know where their next meal will come from and visits to soup kitchens and food pantries are up more than 70% since 2019.

You can help by participating in the *Feed Our Kids Food Drive*, held annually from Mother's Day to Father's Day, which helps provide much needed food for families in need.

Start your food drive, either in-person or online, to help ensure shelves at soup kitchens, food pantries and community food programs across the city are stocked for children and their families this summer.
